MAKING A WORLD OF DIFFERENCE

Newsletter

May Edition from the Starfish UK & Malawi Teams.

Thank you from all of us at Starfish Malawi. Without your donations and prayers, our work would not be possible. We thank God every day for what He is doing in Malawi and here with us in the UK.

This month we would like to share the following stories with you.

Our Trip to Malawi

Our newsletter this month is mainly featuring the recent trip to Malawi.

Chris, Yuri, Peter and Emmanuel had an amazing time visiting the projects, catching up with the Malawi team, having many conversations with teachers, pastors, project workers and the children and people in the communities.

They found that the work was growing and developing and were thankful to the dedicated workers enabling the work to continue.

There was so much seen and done, that it is easier to show you some photos rather than write many words.
